813-399-3505

Course Description

This course will introduce and solidify skills in fractions, decimals, and percents. Students should be able to add, subtract, multiply, and divide before beginning this course; however, we WILL be reinforcing multiplication and division facts throughout the year.

Curriculum

“Key To” Series, by McGraw-Hill, www.christianbook.com (Enter “key to math” in the search bar)

Students Purchase:

1. Key To Fractions, books 1-4
2. Key to Decimals, books 1-4
3. Key to Percents, books 1-3
4. Answer keys for each subject.
5. There is a **\$25 copy fee** for the year. Instructor will provide tests and quizzes.

Course Requirements

1. Completion of all assigned homework problems, quizzes, and tests.
2. Class participation.
3. Parental participation in grading weekly homework.

*Please note that parents are required to grade homework, which will be covered in class. Student’s homework grade is not affected by incorrect homework problems.

Grading

• Attendance & Class Participation	10%
• Homework	25%
• Quizzes	25%
• Tests	40%

Attendance is vital to student success. If the student needs to be absent, the parent must inform the instructor and the student is responsible for any missed quizzes, tests, and homework assignments.

“Education is not the learning of facts, but the training of the mind to think.” -Albert Einstein
